

CHICAGOLAND GREEN BOXWOOD

Buxus 'Glencole'

Height: 2-3' **Spread:** 3'

Location: Zone 4, sun to part shade, adaptable

Shape: Mounded

Foliage: Glossy dark green

Notes: Boxwood known for cold hardiness and good winter color. Has a uniform oval-rounded growth habit. Relatively new, but many good reports on this plant, especially its hardiness.

GREEN MOUNTAIN BOXWOOD

Buxus x 'Green Mountain'

Height: 5' **Spread:** 4'

Location: Zone 5, sun to part shade

Shape: Dense, compact, upright

Foliage: Bright green, gold in winter

Notes: Dense upright form with bright green leaves that retain their color through winter. Natural cone-shaped form if left unsheared, excellent hedge.
