Aronia melanocarpa 'Autumn Magic'

Height: 3-5' **Spread:** 2-4'

Location: Zone 3, sun to part shade, adaptable

Foliage: Glossy dark green, showy red and purple in the fall

Notes: Fragrant white flowers bloom in May, followed by clusters of large edible, dark purple-black berries which persist through the season. The leaves are a dark, glossy green all season long and put on an incredible fall color show of red and purple. Does well in full sun to part shade and is tolerant of most soil types.
