

DWARF WINGED EUONYMUS

Euonymus alatus compactus

Height: 5-6' **Spread:** 5-8'

Location: Zone 4, sun to part shade

Shape: Rounded, compact

Foliage: Deep green, scarlet in fall

Notes: Dwarf, bushy and compact, corky barked plant. Excellent for hedges. Brilliant fall color.

WINGED EUONYMUS

Euonymus alatus

Height: 10-12' **Spread:** 9-12'

Location: Zone 3, sun to part shade

Shape: Rounded, densely branched

Foliage: Green, crimson in fall

Notes: Known for its winged, corky bark. Burning bush has yellow flowers in May-June. Prefers full sun or shade. Good for borders and screens. Excellent long lasting fall color.
